Dear Parents,

As you know tomorrow (Saturday 27th June) is our summer fair. I look forward to seeing the children, parents, other family members and friends. Thank you to everyone for your donations and offers of help – Let's hope the sun stays shining and that we all have a fantastic day! Please remember to use the pedestrian gates only – the vehicle gates are on a timer and must only be used for deliveries – thank you.

Next week at Poplar we will be celebrating **Arts Week**. The whole school will be basing their work on the famous painting by **Renoir "The Umbrellas"**, which is exhibited in the National Gallery. It is the picture selected by the National Gallery as their focus painting in their "Take One Picture" schools project that is run every year. Do look at their website for further details. (See the [Art Links](#) page on our website). We are looking forward to a creative week!

Year 6 Residential Trip

On Tuesday I went to Ashdown Forest to visit the Year 6 children who are there on a residential trip. They were all having a wonderful time and have tackled the team challenges and all the high level activities such as abseiling, high wire walking and rock climbing with bravery and enthusiasm. Well done to all and a very big thank you to the staff, Mrs. Johnson, Mrs. Turner and Mrs. Patel who took the children and looked after them on this trip.

Scooter

We have a small scooter in the school office which is in need of a home. If your child has recently lost theirs please do come along to the school office to identify and collect it. If it is not claimed soon it will be given to charity.

South Park Gardens Music Festival

South Park Gardens Music Festival is a brand new event being held in the beautiful seclusion of South Park Gardens off Trinity Road in Wimbledon. This event is organised by the Polka Theatre and will take place on Saturday July 4th from 12.30pm – 8pm. This is a music festival with a twist...at this event all the performers will be under the age of 22, with most being a lot younger than that! There will be lots of other exciting things going on as well African drummer Usifu Jalloh who will be holding a percussion workshop. There will be food and soft drinks for sale, and Wimbledon music school, Cherry Pie, will be showcasing the talents of some of their younger students on the festival stage.
